Good afternoon, Ray and Richard.

First, I wanted to first introduce myself--I just began as Field Deputy for Councilmember Koretz, and I've taken over John Darnell's area.

I'm reaching out as well because I got a call from Justin Schack, the owner of 6615 Melrose Avenue, regarding the parking meters in front of his building. He said they were recently made into loading zones after 5pm, which is used as valet for the next-door property at 6623 Melrose Avenue.

Justin isn't happy about the change, so I wanted to see if I could get some more information from you guys on the issue. Justin would like the loading zone moved just around the corner on Citrus Avenue, but I imagine that was not done for a reason. Any history/background you could give us would be much appreciated.

I've also CC'ed Lisa Schechter, whose Hollywood Media District BID includes these two properties.

Have an great weekend.

All the best,  
Robert Oliver
